Firm Directory Listing - Winter 2018

Thank you for considering _SCAPE Magazine to list your firm in the Winter 2018 issue directory. As in the past, this issue will be printed in full color and will be distributed to 750 landscape architects, municipalities, allied professionals, and other policy makers. Your listing will also appear at www.asla-mn.org, a key resource for those looking for landscape architectural services.

Firms responding must have at least one ASLA-MN member on staff and be in the business of providing landscape architectural design services to the public for a fee. Those companies that also sell or distribute plant materials, landscape products/systems, or construction services must also provide design services. The department from which design services are sold should be profiled below. Those submitting are encouraged to confer with firm principal or marketing manager for listing accuracy confirmation. **Please submit form with payment no later than Friday, December 15, 2017.**

I/My company would like to be listed in the Winter 2018 issue of _SCAPE Magazine at the following level:

Standard Listing \$150

Description of your firm including:

- Personnel by discipline
- Categories of project work
- Example projects
- ASLA-MN 2017 award winner recognition

Premium Listing \$300

Description of your firm including:

- Color firm logo
- Listing placed at beginning of directory
- Personnel by discipline
- Categories of project work
- Example projects
- ASLA-MN 2017 award winner recognition
